CHECK LIST FOR DISCUSSION WITH COLONEL BAIRD

January 25, 1951

1. Deliver information on personnel for security clearance.
2. Go over "notes" with him to see whether these set forth a reasonable statement of the major concerns and problems.
3. If the notes are generally satisfactory, consider and possibly discuss what the priority of [REDACTED] interests and competence would probably be in assisting them.
4. Depending on results of that, discuss tentative "proposal".
5. Specific question: What businesses does he have in mind as having developed good career services (General Electric, Eastman Kodak, Bell Laboratories, Standard Oil of New Jersey, Life Insurance companies)?
